

Lecturer - Panchkarma Location:

Divya Jyoti Ayurvedic Medical College C Hospital, Modinagar, Ghaziabad

Experience:

0-1 year (as per NCISM norms)

Salary:

Based on experience, with an attractive hike

Job Summary:

We are looking for a Lecturer in Panchkarma who is passionate about Ayurvedic detoxification and rejuvenation therapies. The selected candidate will be responsible for educating students on Panchkarma principles, conducting hands-on practical training, and guiding research on the therapeutic benefits of Panchkarma in disease management and holistic well-being.

Key Responsibilities:

Conduct lectures and practical sessions on Panchkarma therapy, covering its fivefold detoxification approach.

Guide students in the clinical application of Panchkarma procedures, including Vamana (emesis), Virechana (purgation), Basti (medicated enemas), Nasya (nasal therapy), and Raktamokshana (blood purification).

Oversee hospital-based Panchkarma treatments, ensuring students gain firsthand experience in patient care.

Supervise student research projects on the efficacy of Panchkarma in managing chronic conditions and preventive healthcare.

Participate in faculty meetings, academic discussions, and national Ayurveda conferences to enhance teaching methodologies.

Assist in curriculum development, integrating classical Panchkarma principles with modern advancements in Ayurveda.

Qualifications Required:

Educational Requirement: BAMS C M.D. (Panchkarma)

Experience: Freshers with strong academic expertise in Ayurvedic therapies are encouraged to apply.

Additional Skills: Strong instructional capabilities, ability to mentor students, and expertise in Ayurvedic detoxification treatments.

How to Apply:

Interested candidates should submit their updated CV via email: hr@djayurvedacollege.com
