Experience:

As per NCISM norms Salary:

Based on experience, with an attractive hike

Job Summary:

We are seeking a dedicated **Reader in Rog Nidan Evam Vikriti Vigyan** to educate students on **Ayurvedic pathology and diagnostics**. The role involves teaching, research, and clinical training in **disease identification, prognosis, and therapeutic applications** in Ayurveda. The selected candidate will play a crucial role in preparing students for **clinical practice**, ensuring they gain a deep understanding of disease pathology from an Ayurvedic perspective.

Key Responsibilities:

- Deliver **theoretical and practical lessons** on Rog Nidan, focusing on Ayurvedic principles of disease diagnosis and classification.
- Guide students in **clinical application**, assisting with case analysis and differential diagnosis based on Ayurvedic texts.
- Supervise **laboratory sessions**, ensuring students gain hands-on experience in pathological examinations.
- Conduct **research on disease etiology**, exploring Ayurvedic treatment methodologies and preventive approaches.
- Collaborate with other faculty members to **enhance the curriculum**, integrating both classical Ayurvedic insights and modern perspectives on pathology.
- Prepare students for **practical applications in clinical settings**, including Ayurvedic hospital and dispensary work.
- Participate in **faculty discussions, seminars, and conferences**, contributing to advancements in Ayurvedic pathology research.

Qualifications Required:

- **Educational Requirement:** BAMS C M.D. (Rog Nidan Evam Vikriti Vigyan)
- **Experience:** Prior teaching or research experience in Ayurvedic diagnostics and pathology is preferred.
- **Additional Skills:** Strong analytical and problem-solving abilities, mentorship capabilities, and expertise in Ayurvedic disease prognosis.

How to Apply:

- Interested candidates should submit their **updated CV** via email: hr@djdentalcollege.com
- For inquiries, contact us at **9528327620** or WhatsApp **+91 9971555465**

³ **Website:** djayurvedacollege.org

We invite you to be part of **our mission to advance Ayurvedic education** and contribute to the **holistic approach to healthcare!**
