

Job Title: Professor in Maulik Siddhant Department

Location: Divya Jyoti Ayurvedic College and Hospital, Modinagar, Ghaziabad

Salary: As per NCISM rules

Job Type: Full-time

Reports To: Dean of Faculty

Job Summary: We are seeking a highly qualified and experienced Professor to join our Maulik Siddhant Department at Divya Jyoti Ayurvedic College and Hospital. The ideal candidate will be responsible for delivering high-quality education in the principles of Ayurveda, conducting research, and providing guidance to students.

Key Responsibilities:

- **Teaching:** Deliver lectures, practical sessions, and tutorials in Maulik Siddhant to undergraduate and postgraduate students.
- **Curriculum Development:** Contribute to the development and updating of the Maulik Siddhant curriculum to ensure it meets educational standards and industry requirements.
- **Research:** Conduct and supervise research projects in the field of Ayurvedic principles and publish findings in reputable journals.
- **Mentorship:** Provide academic and career guidance to students and junior faculty members.
- **Assessment:** Design and implement assessment tools to evaluate student performance and provide constructive feedback.
- **Clinical Supervision:** Oversee and guide students during their clinical practice and training.
- **Administrative Duties:** Participate in departmental meetings, contribute to policy-making, and assist with administrative tasks related to the department.
- **Professional Development:** Engage in continuous professional development and stay updated with the latest advancements in Ayurvedic principles and practices.

Qualifications:

- **Education:** BAMS and MD in Maulik Siddhant or equivalent degree.
- **Experience:** As per NCISM rules.
- **Skills:** Excellent communication and presentation skills, strong organizational and leadership abilities, and a commitment to academic excellence.
- **Languages:** Proficiency in English and Hindi.

Benefits:

- **Competitive Salary:** As per NCISM rules.

- **Professional Development:** Opportunities for attending conferences, workshops, and further training.
- **Supportive Work Environment:** Collaborative and conducive atmosphere for teaching and research.

Application Process: Interested candidates are invited to submit a detailed resume, cover letter, and relevant certificates to the Dean of Faculty at Divya Jyoti Ayurvedic College and Hospital. Please include a statement of your teaching philosophy and research interests.
